PROFESSIONAL SUMMARY

Final-year BCA student (graduating 2026, CGPA: 8.03/10) with hands-on skills in HTML5, CSS3, JavaScript, Tailwind CSS, Python, and Git/GitHub. Experienced in building responsive web interfaces, portfolio websites, and AI-driven projects using SDLC principles and OOP concepts. Eager to contribute to web development, digital marketing, and technical roles. Immediate joiner — open to relocating to Noida/New Delhi.

TECHNICAL HIGHLIGHTS

- Built an AI-based stress detection system using facial expression and voice analysis with Python and ML concepts.
- Developed responsive web applications using HTML5, Tailwind CSS, JavaScript, and Vite as build tool.
- Designed and deployed a personal Portfolio Website showcasing projects, skills, and contact information.
- Strong academic performance: 8.03 CGPA (BCA), 92% in RS-CIT, A+ in RS-CFA.
- Hands-on experience with Git, GitHub, version control workflows, and collaborative development practices.
- Familiarity with REST API concepts, OOP, SDLC, and problem-solving through academic and personal projects.

KEY SKILLS

Web Development	Digital Marketing	Programming & Core
- HTML5, CSS3, JavaScript - Tailwind CSS, Vite - Responsive Web Design - Git & GitHub, Version Control - REST API Concepts	- SEO – On-page & Off-page - Social Media Marketing - Content Creation - Analytics & Performance Tracking - Google Ads / Meta Ads (Concepts)	- Python, C, C++ - SQL & DBMS - OOP, SDLC - Data Structures & Algorithms - AI / ML Concepts

EXPERIENCE

Personal Projects & Independent Learning	2024 – Present
- Built and deployed responsive web interfaces using HTML5, Tailwind CSS, JavaScript, and Vite. - Designed and published a personal Portfolio Website showcasing skills, projects, and contact details. - Maintained GitHub repositories with structured commits and version control best practices. - Developed an AI-based academic project integrating Python, face expression analysis, and voice analysis. - Independently researched and applied digital marketing fundamentals including SEO and social media strategy.	

PROJECTS

NeuralCalm – AI Stress Management System (FRONTEND)	2024 – 2025
<i>Technologies: HTML5, VITE, REACT, Python · AI/ML · Face Expression Analysis · Voice Analysis · OOP</i> - Built an AI system that detects stress levels in real time by analyzing facial expressions and voice patterns. - Integrated multiple input sources (face + voice) to improve accuracy of stress level classification. - Implemented emotion recognition and behavioral pattern assessment using ML concepts and OOP principles. - Designed a mental wellness dashboard presenting analysis results in a user-friendly interface. - GitHub: https://github.com/khushalgehlot28/AI-Stress-Management-System.git	

Frontend Web Application – Responsive UI

2025

Technologies: *HTML5 · Tailwind CSS · JavaScript · Vite · Git & GitHub*

- Developed a fully responsive, modern web interface with clean UI and optimized user experience.
- Used Vite for fast development, hot reload, and optimized production build output.
- Applied best practices in component structure, responsive layout, and cross-device compatibility.
- GitHub: github.com/khushalgehlot28

Personal Portfolio Website

2025

Technologies: *HTML5 · CSS3 · JavaScript · Tailwind CSS · Responsive Design*

- Designed and developed a personal portfolio website to showcase skills, projects, certifications, and contact info.
- Implemented smooth scroll, animations, and a mobile-first responsive layout for all screen sizes.
- Optimized page performance with clean code structure, semantic HTML, and minimal load time.
- Published on GitHub and serves as a live professional profile for recruiters and collaborators.
- GitHub: github.com/khushalgehlot28/portfolio

EDUCATION

Qualification	Institution	Year	Score
BCA	Lachoo Memorial College of Science & Technology, Jodhpur	2023–2026	8.03 CGPA
Class XII	RBSE, Rajasthan	2023	81.60%
Class X	RBSE, Rajasthan	2021	86.17%

- BCA Coursework: Data Structures & Algorithms, DBMS, Python, Java, Computer Networks, AI, Cloud Computing, Computer Graphics

CERTIFICATIONS & ACHIEVEMENTS

- RS-CIT (Rajasthan State Certificate in Information Technology) – Score: 92%
- RS-CFA (Rajasthan State Certificate in Financial Accounting) – Grade: A+
- Tally Prime Certification – Financial Accounting & Business Operations
- Maintained First Division across all academic years

SOFT SKILLS & CAREER INTERESTS

Soft Skills: Problem Solving · Analytical Thinking · Team Collaboration · Communication · Adaptability · Time Management · Continuous Learning

Interests: Software Development · Web Development · Python Development · Data Analytics · IT Operations · Graduate Trainee Programs
